June - Month of the Sacred Heart of Jesus.

*Lord Jesus Let my heart never rest until it finds
You, who are its center, its love, and its
happiness. By the wound in Your heart pardon
the sins that I have committed whether out of
malice or out of evil desires. Place my weak
heart in Your own divine Heart, continually under
Your protection and guidance, so that I may
persevere in doing good and in fleeing evil until
my last breath. Amen. - St. Margaret Mary
Alacoque*

Fisherman's Club Summer Cookout -
All are welcome to attend the Fisherman's Club Summer Cookout that will take place at St. Patrick's Rectory in Oneida on Wednesday, June 23rd at 5pm. FC is an initiative sponsored by the Office of Vocation Promotion that aims to reach college-age and young adult men who are thinking about the priesthood. The mission of "FC" is to build fraternity among young adult Catholic men as well as provide these men with tools for mature discernment of their vocation. For more information or to register, please contact Fr. Nathan Brooks, the coordinator of this outreach, at NBrooks@syrdio.org. Please pre-register by Monday, June 21.

What does it mean to have faith? For many of us this is a simple question that we can answer instantaneously. Some of the gifts that God has given or shown to us allows to answer this easily. For others, this faith is rather difficult to comprehend. For the disciples in the Gospel this weekend, this was something that they learned "on the Job." While the disciples were crossing to the other side of the lake, a storm came up and they were left to wonder if they would get through this. For many of us these storms come up many times through out our lives. For some of us the loss of a loved one, loss of a job, or a life changing decision that must be made are just some of the storms that arise. If you can think just over the last few days, what storms have arisen in your life? How have you handled them? our relationship with Christ should be at the heart of all these storms. As in the Gospel Jesus calms the storms immediately by saying "quiet, be still." These words are words that we should utter silently when the storms of our lives come up and we are unsure how we will get through them. If we have had a major storm come up in our lives, we will do one of two things. We will either try and take control of the situation and try to hammer out the detail ourselves, or we will turn to God and put it in His hands. For many of us the former will be the first way we try as we are human and like to try to do things on our own. As the disciples did in the Gospel, they relied on Jesus to calm the storm, we ought to do the same. How will you let Christ calm the storms of your life this week?

God Bless,

Fr Matt Rawson
