Dear Parishioners,

This week you will notice an insert in the bulletin giving a more in-depth overview of our financial situation. This is an important process to do each year as it allows us to see the financial health of our parish so that we can budget for the following year. This year we have made many improvements to our cemeteries by making things more efficient. We have installed a new shed at St Patrick's Cemetery and have purchased a new UTV for St Joseph's Cemetery. Currently we are focusing on the rectory porch, which needed a new roof and much more maintenance as it sustained a lot of water damage over the years due to the failing roof. A new roof was installed, and work is continuing on the interior.

Some of the projects that will need to be considered soon:

- New Roof at St Patrick's Church
- New Roof at the Thrift Shop
- New Roof at Kiefer Hall and removal of Chimney
- Roof on parish office needs to be painted and sealed.
- Repairs to roof and floor in Gill Hall.

Obviously, we will not be able to tackle all the projects at one time, but these are the more pressing projects at hand that must be made to ensure the safety and integrity of each building. We will need to consider fundraising or a campaign to aid in these projects. The time frame for these projects would be over the next few years with consideration of the need of each building. Please feel free to call or get in touch with me if you have any questions or concerns with these matters.

God Bless,
Fr Matt Rawson
