Dear Parishioners,

If anyone has any questions about last week's State of the Parish Report, please do not hesitate to email me or schedule a meeting with me. My email is mrawson@syrdio.org  
 In Mark 12:38-44, we encounter a powerful narrative that contrasts the behaviors and intentions of the religious elite with those of a humble widow. The passage begins with a warning from Jesus against the scribes, who are characterized by their desire for recognition and respect. They enjoy the status and privileges associated with their position, often exploiting their authority for personal gain. This critique serves as a reminder of the dangers of pride and hypocrisy within religious practices.

As the scene shifts, we see Jesus observing the temple treasury, where various individuals contribute their offerings. The wealthy give substantial amounts, showcasing their affluence. However, it's the widow who captures Jesus' attention. She donates two small coins, a meager sum compared to the larger contributions, yet Jesus points out that her offering is far more significant in the eyes of God. This moment highlights the principle that true generosity is not measured by the amount given but by the spirit in which it is offered.

The widow's act of giving reflects profound faith and trust in God. She gives all she has, demonstrating a willingness to sacrifice for the sake of her devotion. In contrast to the ostentatious displays of wealth from the scribes and the affluent, her quiet yet powerful act of giving illustrates the heart of true discipleship. It challenges us to examine our own motives and the sincerity of our contributions, whether they be financial, emotional, or spiritual. Ultimately, this passage invites us to embrace humility and recognize that God values the intentions behind our actions more than the outward appearances. It calls us to cultivate a spirit of generosity, understanding that even the smallest acts of kindness and faith can have profound significance in the Kingdom of God.

God Bless,  
 Fr. Matt

## Food Pantry Corner

The food pantry has successfully completed the capital improvements at Keifer Hall that were scheduled for 2024. The electric panel and outlets in the common room have been upgraded and a mini-split heating and cooling unit has been installed. Our sincere thanks to Jeremy Battles at Battles Electric and Mark Miller at Miller Heating and Cooling for completing these projects with us in a timely and professional manner. A gracious thank you to East Hill Foundation, located in North Tonawanda, New York. The mission of East Hill Foundation is to support innovative and charitable projects designed to enhance the quality of life of the residents in Western New York. We were fortunate to receive an invitation to apply for a grant which enabled us to complete the above improvements at Keifer Hall. In addition, the pantry was able to secure a donation of stone to improve the grade of the parking lot. Thank you Steve Polovick at Northern Sideworks for donating your time and equipment to re-grade the corner section of the pantry parking area. How fortunate to work with so many wonderful people who strive to support our communities and the families our pantry serves. We are so thankful to all of you for working together with us. **In the month of October, we serviced 34 families, distributing greater than 2205 meals.** These are numbers the pantry has not seen before; your ongoing support helps us successfully meet the needs of these families. We Thank You!
