

We are introducing a new program called “formed” to our parish community. This is an online portal/website that allows us to learn, renew, and grow in our faith. I am excited to offer this to everyone in our parish and community. All you need is an email address and you will have full access to the website through our parish subscription. Below are the instructions for making an account and logging in. You may also download the formed app on your smart phone as well.

1. To log on, you can scan the QR code at the bottom of the column with your smart phone or go to *formed.org/parishes*.
2. Once on the homepage, click on “find your Parish Subscription”
3. Enter Christ our Hope or the zip code 13309 to find our subscription
4. Enter your name and email
5. Enter the code sent to your email address
6. And you will have full access to hundreds of faith-based videos for adults, teens, kids, and families.
